The premier college town

OPPORTUNITY

Glassboro hosts several outstanding events each year. Promotions by businesses and organizations, performing arts festivals, design extravaganzas, community activities, retail promotions, restaurant week, film festivals, tech and science weeks - and first Fridays - are only some of the treats in the lineup.

COMMUNITY

Glassboro is a progressive community, always looking to the future. In a partnership between municipality, Rowan University and local public schools, a Cyber District is being developed in the downtown business area that will provide businesses with the most technically advanced broadband services available in Gloucester County.

"We have an incredible following. Our customers love the location on Rowan Blvd. Easy parking in the garage with great eating options within walking distance."

- Kim Engle, Owner & CEO
The Boulevard Salon

"What a difference a year makes! If you haven't been to Glassboro or Rowan Blvd., it's worth the trip. A lot going on."

- John Styles, Manager
Barnes & Noble Bookstore

"Clearly, Glassboro is on the move and we want to be a part of it. We should have done this sooner!"

- Pete Ciarrocchi, Jr., Chairman & CEO
Chickie's & Pete's
